Ref: The signing of the MoU between MD, JJM and DHE on 5<sup>th</sup> March 2024  
 Sir,

With reference to the subject cited above I would like to inform you that a Memorandum of Understanding (MoU) was signed between the Department of Higher Education (DHE) and the Jal Jeevan Mission Public Health Engineering Department (JJM PHED) Assam for the Jal Vidya Program on March 5, 2024 with an objective to foster a deeper understanding and practical knowledge of water management among students, teachers, and community stakeholders. During the MoU signing ceremony, five working groups were formed consisting of representatives from both the PHE and various colleges. These groups are tasked with developing Standard Operating Procedures (SoPs) for five components of the Jal Vidya Program: a) Capacity Building, b) Internship Program, c) Research & Development, d) Water Quality Monitoring, and e) Community Awareness and Education Program. The SoPs for the various components of the Jal Vidya Program have been meticulously developed through the collaborative efforts of these dedicated working groups.

In this connection, the district-level MoU, along with the respective SoPs, are attached herewith for field level implementation. You are requested to sign the MoU with interested colleges under your division and to execute the program as per guideline.

We believe Jal Vidya program will significantly contribute to the educational and environmental goals of our institutes.
